

Stop the Spread- Covid 19 Vaccination awareness drive

This awareness drive is a movement to help reinforce the Nation`s commitment to fight against Covid -19 and to encourage the people of Delhi to get vaccinated.

On 16th July `21 at Tilak Nagar slum area, free awareness program was conducted amidst all the misconceptions and rumors about the side effects of taking Covid-19 vaccine doses.

Star Wellness and Care Foundation took an initiative to organize a vaccine awareness drive in the slums of Tilak Nagar, New Delhi to spread awareness & explain the benefits of vaccination to the underprivileged section of the society.

Around 30 beneficiaries attended the drive
