

Healthy Police, Happy Police

Delhi Police is considered to be having the most advanced administrative system in India. It believes in the principle of 'Citizen First'.

Star Foundation in association with the Security Unit of Delhi Police organized a health checkup camp for the Delhi Police Personnel at Chanakyapuri, on 1st September`21.

A team of doctors, nutritionists and paramedical staff from the Star Group were present at the camp to provide free checkup and consultation. Basic health checkup and medical tests related to it were provided like Hemoglobin, ECG, Blood sugar, Blood pressure etc. Star Foundation is committed to ensure a healthy and happy life for the Delhi Police Personnel, who are serving the nation and society.

They are our real life heroes and frontline warriors. Our team also conducted counseling session for their physical and mental well being. The aim behind organizing this camp was to encourage our policemen to remain healthy and fit.
